## Description

L'Escas de Nouguié is a wonderful holiday villa for up to 6 people, designed in pure Provençal tradition.

This three-room villa equipped with air conditioning is located at the heart of French Riviera, between the mountains and the sea. Everything comes together to provide our guests with a total escape and unforgettable holiday. A true haven of peace, Le Domaine de Respelido is a fine example of the unique lifestyle in Provence, dedicated to relaxation and wellbeing.

The first bedroom comes with two single beds that can be combined into a super king size bed and offers a nice view of the surrounding vegetation. Meanwhile, the second bedroom has a large double bed and a French window leading to a terrace. Two bathrooms are also at your disposal, of which one has a separated toilet.

There is a large living room which offers a lounge area with a 3-seater wrought iron sofa convertible as a 160x200 high comfort double bed and wrought iron armchairs and table.

Well equipped open plan provençal kitchen (180 L fridge/freezer, cooking hob, oven, microwave, dishwasher and smaller electrical equipment, provençal dish from Varages).

The outside area boasts two large terraces with wrought iron furniture and pergolas, as well as a stone built barbecue - perfect for an evening meal under the stars.

There is a private and enclosed garden which is hidden from view; it is planted with palm trees, olive trees and Mediterranean plants. There is a lawn with an automatic watering system, a private car park, and, of course, the shared swimming pool.
