"Perfect in every way - And exactly as described!

In most cases, places are rarely as described and sometimes can be a little disappointing but this villa was perfect in every way. A very typical French style villa, in a wonderful tranquil setting. The rooms were spacious and clean (linen, mattress, kitchen and garden all spotless). The standout features include the fantastic gallery main

bedroom, the spacious lounge and the wonderful heated pool. Whether you are here as a couple, a group or as a family (we are a blended family with 4 children ages 15,14,12 & 11!) the villa has something for everyone (including free WiFi!!) and is a great place to chill and enjoy the South of France. The owner was very friendly, extremely helpful and easy to deal with as was Maurice when we arrived, handing us a bottle of wine to enjoy our first evening with. Many basic food items such as oils, coffee, dishwasher tablets etc were available, which was really helpful. The kitchen was well stocked and there were numerous pool towels available for our use. In the cellar a washing machine and tumble dryer were available, which was really handy. We would recommend a car as we found the taxi service a little on the expensive side but if you enjoy a stroll the popular beaches of Juan De Pins are only 30 mins walk away and the local beach only 10mins. A stroll into quaint Antibes is only 20 mins. The local shop selling all you really need is only 10mins walk too. If you are after a great French villa with a lovely pool in a tranquil setting look no further. We are sad to leave. :-(

"Perfect, in every way.

Arriving late in the day is never the best. But arriving to this beautifully restored home was fantastic. I felt a beautiful sense of calm the moment I was at the gate and what a treat when I walked in. Everything is extremely well appointed and the detail was evident in all rooms. The pool was even heated and we had the fridge stocked by the house care taker with what we required. My only problem was having to go home so soon. Lovely. Would recommend to anyone who is looking for some break whether it be some creative inspiration or a romantic get away.

"Nice, comfortable and good location

We stayed at the Villa for two weeks in July, two families with children. The Villa was just as described, really comfortable and convenient, recently renovated. And the kids loved the pool...

Location was nice, a short walk to Salis beach. Thank you John and Maurice for making it a great stay :-)
