Description

Lavender Gite is a prettily decorated 3 bedroom gite, located on a private and family-owned Domaine, surrounded by fields and vineyards. With two kitchens and bathrooms and two outside terrace areas, this gite offers privacy and comfort, as well as nice views and atmosphere.

The gite forms part of the main house of Domaine du Pin, part of which was built in 1832 with further extensions built on over the years, making it the large, comfortable family-owned home that it is today.

Home to a friendly English family who have lived and worked in the area for over 20 years, they will be available to help you with anything you need from ideas for places to visit to helping you arrange any trips. Otherwise they will simply blend into the background to give you your peace and privacy.

The accommodation consists of an air-conditioned open plan room, complete with a kitchen area, breakfast bar, a seating area, wifi, and French doors opening onto a large private terrace, where you will find a table and chairs for outdoor dining, a garden sofa for relaxing, a BBQ, a parasol and 2 sun-loungers for those relaxing days spent reading in the sun. There is a second kitchen/dining/lounge area in the gite with its own terrace, meaning that the gite can in fact be separated into 2 separate gites, ideal for giving grand-parents a bit of quiet time away from the grand-children or 2 couples to have some privacy.

The first indoor seating area consists of a sofa and/or two easy chairs, a small flat screen TV and a coffee table. There is a second open plan room with a kitchen area, dining table for 2 with doors onto another shady private terrace located at the front of the property.

The gite consists of three bedrooms in all, two being doubles and one twin. All bedrooms have been tastefully decorated, have a wardrobe and air-conditioning, as well as one of the doubles having doors to the terrace at the front of the property.

The first bathroom is spacious with a walk-in shower, basin, bidet and washing machine. One separate WC. The second bathroom has a shower cubicle with a rain-fall shower head, a basin and a WC.

Please read the many Testimonials for this property which will give you a good idea of the property, facilities and location.

5 out of 5

Nous avons été très agréablement surpris pour notre premier séjour en France. Cette location est à moins de 20km de la plage et on y trouve des commerces à proximité. L'espace piscine est vraiment top où l'on s'y sent comme chez soi. Les chambres et la literie sont très bien et nous avons donc très bien dormi. Un tout grand merci aux propriétaires pour leur accueil et leur sympathie

Location

The Domaine is located just outside the charming city of Béziers. It has a peaceful location but at the same time it is only a few minutes drive to several pretty villages with all amenities and 20 minutes to the long, sandy beaches.

Béziers itself is only a 5 minute drive away, and is a lovely city that sees many tourists every year, joining together to enjoy the wonderful architecture and cobble-stoned roads. The main square of Béziers offers stunning renovated façades displaying the beauty of old-age Béziers.

There are activities for everyone in this area, you will be spoiled for choice. Traditional markets (don't miss the Saturday one in Pezenas), restaurants, bars, walks or bike rides along the Canal du Midi, home-made rum on a river-boat bar, bike rental, laser game, nightclubs, water parks, fabulous shopping, bowling alleys, cinemas, chateaux, wine tasting, superb sandy beaches, medieval villages .. the list goes on and on.

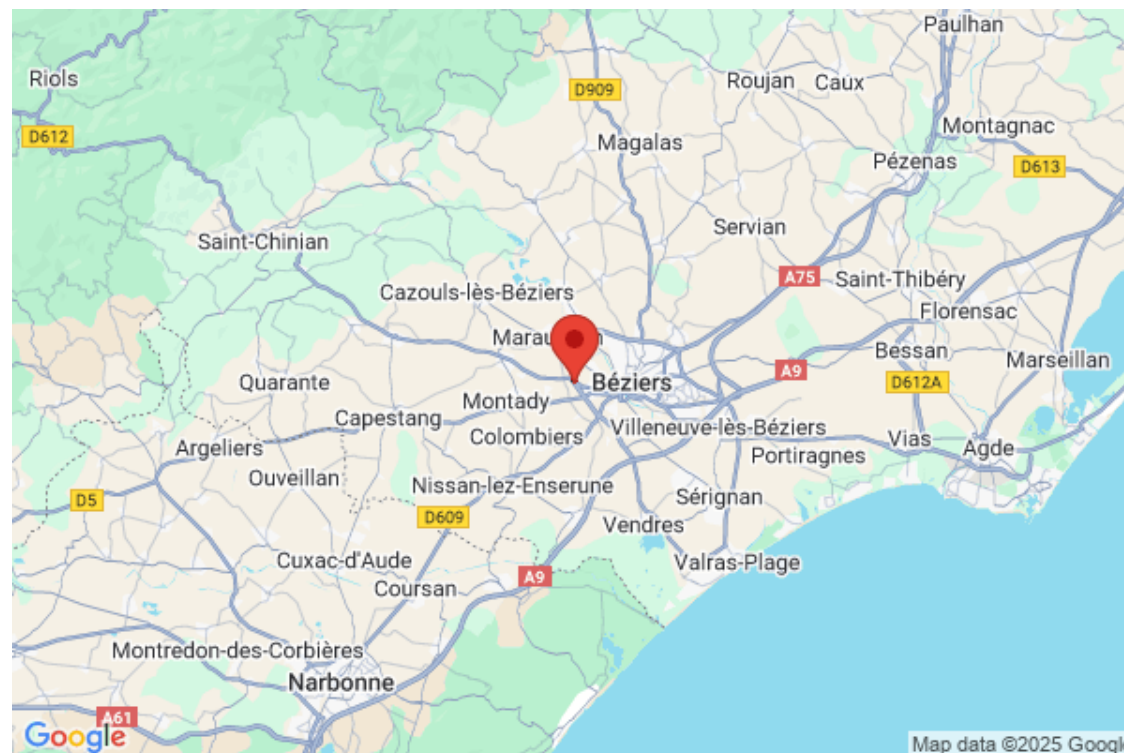

Béziers is wonderfully located right in the middle of all of the activities that make Hérault what it is. The beaches are only 15-20 minutes away, complete with golden sand and delicious seafood.

The medieval city of Carcassonne is only an hour away, full of its cobble-stoned roads and traditional shops and restaurants, all seemingly completely untouched. A visit to the medieval castle is an absolute 'must'!

The bustling student city of Montpellier is only 45 minutes away, full to the brim of restaurants and bars and nightclubs, as well as every activity that you could possibly imagine including a fabulous aquarium, a planetarium, ice skating and go-karting.

Narbonne is a favourite amongst locals thanks to the laid-back atmosphere that the city provides you with, as well as a beautiful walk along the canal, and a mouth-watering wander around the local market.

If you're looking for something traditional and typically French, then we

recommend driving 40 minutes to Saint Chinian and its surrounding villages and towns such as Roquebrun, Assignan, Agel, Bize Minervois and Trébes are all wonderful days out in the gorgeous countryside.

On a rural road just off the main D612 and about a 10 minute drive into the centre of Beziers.

20 minute drive to the beaches at Valras Plage.
