Description

Welcome to Mas Mayeaux, a 5,600 square metre private estate on the banks of the river l'Ouvèze, secluded behind a dramatic cliff face, yet just a few minutes' walk from the classic Provençal village of Vaison la Romaine.

The property is set across two buildings just a few steps from one another, the first a traditional Provencal stone house sleeping 9 guests, and the second an architectural gem that comfortably sleeps 5 people in a loft-style open plan structure. Both houses have their own patio area, with splendid views across the river and onto Mount Ventoux in the distance.

The private pool terrace is a beautiful paved area with sun loungers, surrounded by fragrant lavender bushes and pink oleanders, and overlooked by an atmospheric dining area. From these garden areas guests can take in unobstructed views of the medieval castle that sits high atop the opposite bank of the river l'Ouvèze.

With the enclosed large private garden, there is plenty of room for kids to explore, along with the pool, a patenque area, and table tennis. Access to the river is just a few minutes' walk, along with shops and cafes in town.

Just a 5-minute walk down the road is an adventure park for kids and teens, and plenty of hiking and biking routes all around

Just a few hundred metres down the river lies a historic Roman bridge, and at a similar distance you'll also find the hilltop medieval city, a site of historical significance for thousands of years. There is also the modern square of Vaison la Romaine, where you'll find a great selection of shops, cafes, and restaurants in which to relax and take in the atmosphere of this beautiful region.

The property is an incredible rarity, enjoying absolute privacy whilst in spitting distance of popular historical attractions and a beautiful medieval town.

Mas Mayeaux subtly combines classic architecture with a modern interior to stunning effect.

The region boasts a glamorous, sun drenched coastline and some truly fantastic wines.

OUTSIDE

The totally enclosed private property is 5600 sqm of garden with oak, olive, fig, lavender and other beautiful trees and plants.
