Description

If you wish to spend some time in splendid privacy in the tranquility of the vineyards and in the undisturbed woods of L'Oumede, yet only a few minutes drive to Club 55 on the fabulous beaches of Pampelonne and 10 minutes from the delights of the town Saint Tropez, then this exclusive country estate is a wonderful choice.

This luxurious lovingly-restored neo-provencal villa sits in a very quiet and private location, surrounded by pine and oak trees within large grounds of 3.5 ha (c.8.5 acres) and includes a private tennis court, helipad and a swimming pool, securely gated for the safety of young children.

Situated in stunning gardens and natural grounds it provides a great vacation stay for a large family or group of friends.

With many terraces surrounding three sides of the villa and within its rambling gardens there is sufficient space for individual peace.

The pool terrace has a covered summer kitchen with dining and seating areas.

Just outside the house and overlooking the gardens and pool is a huge terrace with a covered dining area and a barbecue for relaxing alfresco dining and outdoor summer living.

The interiors are spacious, well maintained and furnished throughout to a high standard in the classic Provencal style. The terracotta tiled floors and most furnishings are in tasteful beige and whites adding to the feeling of light and space.
