TESTIMONIALS FROM OUR GUESTS

Alistair Sawday's Special Places to Stay and Alistair

Sawday's French Hotels, Chateaux and Inns:

"You could drive here, park the car and not use it until you leave: a sandy beach with a view to Old Antibes is a minute away, the old town and market ten and the shops five... What a find around here... The gracious white house, with white shutters, is enclosed with its garden by high walls in a quiet little road. Inside fabrics and walls are mostly white, cool and tranquil..."

Marie Claire:

"The very welcoming demeure Roses d'Antibes is situated in the prestigious Cap d'Antibes, 50 metres from the beach and only 10 minutes to the centre of Antibes. The rooms are decorated in tones so light that the sun is always present... The garden, with its swimming pool all near the sea is very agreeable including the interior of the villa..."
