The property is located close to the Canal du Midi as well as a few shops. It is 30kms from the beaches of Narbonne and Valras (both lovely beaches, contact us for more details or tips), and 50kms from Carcassonne (a wonderful medieval chateau, see our South of France tab in Languedoc on our website for more information). It is ideally located for visiting the wine cellars of the Minervois and Corbières, as well as discovering the historical Cathare heritage.

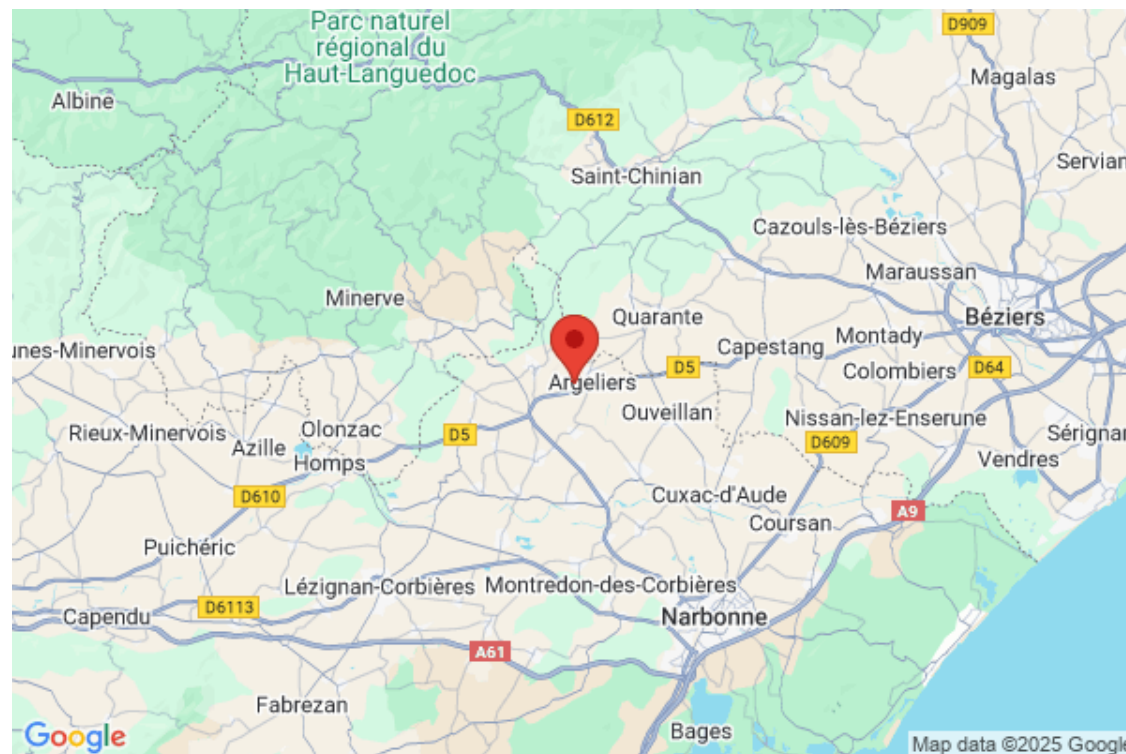

Villa Claude is close to many tourist sites and is a haven of peace right at the door of the natural park of Haut-Languedoc.

The Aude is a department filled with history - its heritage can be found in the numerous sites and Cathare castles, the city of Carcassonne as well as the Canal du Midi, all inscribed to the world heritage of humanity. Its gastronomy like the cassoulet, the wines of Minervois and Corbières have all become impossible to circumvent on the best tables. Argeliers is a village of 1500 inhabitants and lived through the revolt of vine growers in 1907.

Marcellin Albert - the coffee-maker and winegrower of the village is considered as the initiator of one of the biggest popular risings of the beginning of the century. The villa is close to many restaurants, wine cellars, and bicycle rentals. Only 7 kms away is the Somail, a very nice port of the Canal du Midi and shelters an old library. The town of Minerve, a rocky outcrop overlooking the Cesse gorges with its natural bridges, is an exceptional geological site and is recognised as one of the most beautiful villages in France.

- The property is 1km from the shops and the centre of the village of Argeliers and 17km from the town of Narbonne.
