Description

This villa has everything you need for your family holiday. Close to the village of Villelongue-dels-Monts - just a 10 minute stroll - for bars and a good restaurant, shop, hairdresser, post office. Everything you need within walking distance.

The villa is spacious, light and airy with wonderful views of the mountains. It is maintained to a high standard and the property manager is on hand at all times to ensure that your every need is met. It is relaxing, peaceful, yet within a short time you can be enjoying the buzz of Collioure, the beach at La Racou or cycling off into the mountains in the early morning sunshine. Something for everyone to enjoy.

The villa is beautifully tucked away and secluded but within easy walking distance to the local villages. It is close enough to the Med beaches and inland attractions like Ceret and Perpignan to keep everyone entertained. The backdrop of the Pyrenees and Med is simply stunning. It would make an excellent over-Christmas venue as you can access the ski slopes of the Pyrenees very easily and there is oil central heating.

Air conditioning in every bedroom and ceiling fans over dining table and in lounge.

The layout of the villa is very user-friendly and works really well for socialising/entertaining in the large open plan kitchen/dining areas and the terrace but keeps the bedrooms very private. There are two lounges - one upstairs with TV area and one downstairs for the family living area. The upstairs break-out room at the villa is a real bonus for keeping kids entertained whilst the adults have grown up after-dinner conversations downstairs.

The kitchen is very well-equipped and leads to the utility room and on to the garage with full-sized table tennis table. Five bedrooms and five bathrooms. The property is very adaptable and can sleep anything from 4 people to 12 people in comfort.

The villa is not fully wheelchair accessible but the slightly infirm will enjoy the ease of showering and flat downstairs accommodation. There is only one step from the bedroom area on the ground floor to the lounge/kitchen/pool/garden making easy access.

Babygates fixed top and bottom of stairs.

Sun awning. BBQ. Fenced pool with electric cover. Sun terrace with loungers. Secure garden laid to lawn and maintained regularly, great for games. Large parking area for several cars.
