Just 10 minutes drive from St. Rémy de Provence, Eygalières is a haven of tranquillity with lots of class and charm. Designated as one of the most beautiful villages in France, Eygalières is where many celebrities spend pleasant, undisturbed holidays, far from the paparazzi on the coast. Located on the edge of the Alpilles (the little Alps of Provence), Eygalières offers fantastic views of sublime rocky outcroppings. Surrounded by farmland, olive and fruit orchards, Eygalières is a quiet and charming community made up of artists, farmers and tradesmen alike. The main street has everything you could want from a small village and more: a collection of superb restaurants, bistros, mini markets, beauty salons, speciality wine shops, an art gallery and several eclectic cafés. The village runs its own market every Friday.
