Overview

Lovely detached villa with private, non-overlooked saltwater swimming pool. Large summer kitchen with terrace. Spacious garden. Close to shops. Air conditioning. Great for kids - they can collect organic eggs from friendly chickens! 5 bedrooms / 2 bathrooms. Sleeps 12.

Description

The villa is detached and has a living area of 250m². Most of the accommodation is on the ground floor, with one bedroom on the first floor. Some bedrooms and the dining area are air conditioned.

The villa is richly decorated and has some fabulous original French furniture, some from Louis Quatorze times. It is however, of sturdy design, so gives the villa a comfortable feel.

Enter through gates down the drive where there is parking for several cars. There is a grassed front garden with plenty of established plants and flowers.

Enter through the front door into an entrance hall and then through into the large living/dining room.

The lounge has a beamed ceiling and a comfy corner sofa as well as 5 armchairs. There is a gorgeous wooden dining table and chairs to seat up to 10. Cupboard with selection of games.

There are views onto the swimming pool from the lounge with patio doors to the front terrace and a door to the rear terrace.

The lounge leads into the kitchen which has an open plan feel and a second, smaller dining area. There is a very good oven (the owner is a cookery teacher at the local college) with 3 gas hobs, dishwasher, large new American style fridge freezer, microwave, toaster, coffee machine etc. Window from kitchen looks onto the pool. Door to garage with washing machine, second fridge which can be used for drinks.

Leading from the kitchen and the small dining area, is a bar area at the foot of the stairs which lead up to a bedroom. This little area is decorated in a rustic 'hunter' style as the owner is a keen hunter, very common in this part of France.

The stairs lead to a large, light bedroom which has 2 double beds. It is quite private as it is at the far end of the house, up a set of stairs, but it does not have a door. Windows on 2 walls and a wardrobe.

Back down to the lounge and along a corridor at the opposite end are the other bedrooms and the shower rooms.

There are 2 bedrooms, both with double beds and both with doors to the front terrace.

Opposite the hall, is a large shower room which has been newly decorated. There is a huge walk in

shower, 2 basins and a WC.

At the end of the corridor is the master bedroom which has a curved wall and beamed ceiling and patio doors onto the rear terrace. There is an ensuite shower room with walk in shower, 2 basins, and prettily decorated. Large TV with TNT channels (some English ones), DVD. Ensuite dressing room and door to stairs which lead down to the 5th bedroom.

This bedroom is at rear garden level and has access out onto a small covered terrace via doors. There is a sofa bed and a separate WC.

The garden has some grassed areas and a rear terrace outside the bedrooms, with the pool as a centre piece. The summer kitchen is very large with a tiled floor, large built in BBQ, fridge, 4 gas hobs and a sink.

There is a large tiled bar area as well as a spacious dining area with 2 wooden tables, 12 wooden chairs and both interior and exterior lighting.

Pool house with storage for sunloungers and pool equipment, sink. Open pool shower and separate WC.

The private swimming pool is 10m x 6m and has steps and a jacuzzi area. The pool has a security fence which can be removed if preferred, there is also an alarm (Sensor Premium). The garden and the pool are not overlooked.

The owner leaves 3 mountain bikes in the pool house for guests to use at their own risk. There is also a pile of vine cuttings behind the summer kitchen (excellent for barbecues) for guests to use on the BBQ.

Enclosed garden with fruit trees (cherry, plum, olive, palms) and a small chicken pen where guests are free to collect and use any organic eggs (but please give the 7 chickens some grain every day!). Small vegetable plot, also free for guests to pick any produce - loads of lovely tomatoes! Area with washing line behind the summer kitchen.

There is room in the drive for several cars.
