Description

Villa Cocoa Flower is a unique and stylish retreat nestled in a peaceful setting, yet conveniently located just a short stroll from the vibrant village of Valbonne. The pleasant 1.2 km walk into Valbonne winds through charming villas and olive groves, offering an ideal opportunity to explore the village's lively Friday market.

Situated 2.5km away, Opio presents a delightful array of food shops, including a Lebanese take-away, one of the best sushi restaurants in the area, and the very popular Caffé César L'initial, referenced in the Michelin Guide.

The villa itself blends newly-renovated and newly-built elements across its 230m² expanse. A spacious family room spanning 100m² serves as the heart of the villa, seamlessly integrating a kitchen area and living space. This inviting space provides direct access to the dining terrace, pool terrace, and bedroom terrace.

A distinctive fusion of Scandinavian and Loft styles creates a unique and serene atmosphere. Reflecting the owners' passion for interior design and healthy living, the villa boasts its own small herb vegetable garden, enriching meals with fresh herbs from the Mediterranean ambiance.

The 4.5m x 8.5m saltwater pool, equipped with an alarm, offers a refreshing retreat.

The entrance hall links the family room to the "night area" with three bedrooms, two bathrooms, and a small office. In the entrance hall, you will also find a separate guest toilet. The bedrooms in the "night area" feature air conditioning. The master bedroom, spanning 18m², features a private 12m² bathroom and direct terrace access. The garden bedroom, 22m² in size, offers ample space for 2 or 3 occupants, with direct terrace access as well. The "little" bedroom, 11m², shares a common bathroom with the larger bedroom.

Additional amenities include a small office.

The fourth bedroom, a separate studio measuring 25m², features its own entrance, kitchenette, bathroom, and portable air conditioning.

Outdoor living revolves around the pool and dining terraces, both crafted from wood and spanning approximately 80m² each. Olive trees provide shade on the pool terrace, while a large pergola covers the dining terrace and an electric sunshade shades the bedroom terrace.

The expansive 3000m² garden offers ample space for leisure and play, with the added enchantment of fireflies in June evenings.

In the shadow of the house, there is a ping pong table for friendly matches in the evening.

Convenient parking for up to 10 cars is available, and the property is secured by an electric gate.

Location

The villa is part of Opio but is actually closer to Valbonne where you have the Friday market, which is just awesome, from 8am - 1pm.

In addition to the market on Fridays, there are several very nice restaurants, ice cream shops, bars and lovely shops for clothing and very select home-decoration items etc.

The summer evenings in Valbonne are very lively and it is very nice to spend the evening eating on the square or in the small road in the village. There are no cars allowed inside the village.

There's a huge choice of restaurants in the area, many within walking distance. The centre of Valbonne is just 1.2km away and can be easily walked along quiet roads.

You can also walk to Opio village/ shopping area. The distance is 2.5 km and you would do best to take the car. Opio village does not have cafes etc. but does have a very nice food shopping selection: butcher, bio food, Carrefour supermarket, Lebanese delicatessen, bookshop, opticians, hairdresser and dry cleaning.

Just 1km from the house, on the road towards Opio, there is a big play park with fitness gears, basketball and a running track.

500m from the house on the road towards Opio you have a very good bakery, a sushi restaurant, pizzeria and hairdresser.

Just beyond the house, you can take a walk into a little forest where, if you keep on going (10minutes) you arrive at Club Med Opio.
