The Château is just a few minutes from Capestang, Quarante and Puisserguier. These charming winemaking villages offer all the necessary services – supermarkets, doctors, markets and countless wine domaines plus a choice of restaurants and cafés, from upmarket canal-side bistros to friendly village bars.

The closest village to the Château is the picturesque canal port of Capestang, where barges line the quays and cafés and restaurants animate the main square.

THE LOCAL AREA

The immediate locality offers a huge range of recreational options. The golden beaches at Serignan and Portiragnes are a 25-minute drive. Countless vineyards and markets offer the very best local produce. BEACHES

Languedoc's beaches tend to be huge – long and deep, with fine pale sand and warm, clear blue water. Beach clubs spring up each year along many of region's beaches, with bars and restaurants, lounge service and even massages. Many transform into laid-back clubs in the evening, with the latest in relaxed beach sounds from international and home-grown DJs.

RIVERS, LAKES & LAGOONS

The Languedoc's river and lake beaches offer a lovely alternative to the coast, particularly on the traffic-heavy Saturdays in July and August. The beaches around the Thau lagoon- famous mainly for its oyster farming - are a nice alternative to the large sea beaches, with always-calm, and slightly warmer water - great for younger kids.
