Description

Luxurious suite designed for the very discerning.

Located on an old wine domaine, these suites have been refurbished to a very high standard with a good deal of taste. Stunning views across vineyards towards the Mediterranean. There are practically no other buildings in sight - apart those constituting the domaine itself! - so you will have the view to yourselves. As you ascend the stairs, admire the beautiful stained glass window positioned in the ceiling. This was salvaged from Montpellier.

There is a shared breakfasting area inside but you can also enjoy your breakfast out on the terrace, making the most of those fabulous views.

Breakfast is included within the tarif and you can book as many or as few nights as you wish. We guarantee that no matter how many you book, you'll wish you had booked more!

Location

The house is located near the village of Portiragnes, 10 minutes from the beaches.

The property is set in a 300 acre Nature Reserve, most of which is planted with Mediterranean Holm oak and woodland pine trees offering some lovely walks.

There is another house which is also available for rent on the same Estate - see POR106 for details.

Just 10 minutes from Béziers-Cap d'Agde airport but you won't hear the planes landing or taking off. 25 minutes from Montpellier airport.

In the Estate grounds is a park with some rope walkways and tarzan swing ropes among the pine trees which is about 300m from the house - great fun for grown-ups as well !

Béziers (15 minutes), historic town and capital of wine producing and rugby. Especially vibrant in August and during its famous Feria. Perhaps the best flower market in the whole of the south on Fridays in the beautiful tree-lined main boulevard.

The Canal du Midi which links the Atlantic with the Mediterranean, miles of flat walks along the shady tow-paths. A choice of boat excursions can be taken.

Cap d'Agde (25 minutes) has further beaches and water sports, boat trips, beautiful harbour, golf, casino, fashionable shopping, nightclubs, waterfront restaurants, several children's theme parks and a fabulous water park (Aqualand).

Carcassonne castle is well worth a visit, especially on jousting days!

Roque Haute - outskirts of Portiragnes. Superb botanical reserve.
