Location

Sauvian is a typical French village with an exceptional Mediterranean atmosphere. Located in the heart of the Languedoc region of Southern France, only 5-10 minutes by car from various beaches such as Sérignan, Valras, and Vendres. There are regular direct buses to Valras-Plage and a dedicated cycling path to both Serignan Plage and Valras Plage.

With palm-tree-lined streets and plenty to do, this is the ideal holiday location for people of all ages that are looking for a relaxing holiday with all amenities on their doorstep. There is a small supermarket in the centre of the village; and a larger supermarket at the entrance of the village. Nearby Serignan (less than 5 minutes away) has a Lidl, Aldi, Carrefour Hypermarché, and more. The main square is just around the corner from the house and boasts a bar, a good restaurant, a tattoo parlour, and a hairdresser. Just around the corner of the main square, you'll find more bars, a couple of pizza restaurants, a great bakery (we recommend the almond croissants!), a florist, a Tabac, a park with a playground for children, a butcher, a gym, a chemist, and a doctor's surgery. Just a bit further are tennis courts and pétangue courts, all within easy walking distance of Shangri-La.

Children can play in the local park with a playground while teenagers can join the hustle and bustle of Béziers or Valras Plage independently by bus. Adults can relax on the terrace of one of the multiple bars, or you can attend one of the many events and markets that Sauvian has throughout the summer.

Béziers is only 10 minutes away and is a must-see with cobble-stoned roads winding all around the historic centre and the city's landmark cathedral. Full of bars, restaurants, ice cream vendors, and many shops.

If you're looking for a bit of shopping, head to Le Polygone in Béziers, a beautiful shopping centre with a cinema and bowling alley on the top floor, countless high street shops, as well as a huge array of restaurants - sushi, Italian, tapas, burgers, crêpes - you name it, they've got it.

Other highlights in Béziers include the Canal du Midi and the Neuf Ecluses de Fonseranes (The Nine Locks of Fonserane), various nightclubs, shopping

opportunities, and beautiful parks that you'll find yourself not wanting to leave.

Other easy-to-reach villages and towns that are well worth a visit include Pézenas, Narbonne, Montpellier, Gruissan, Sète, Marseillan, Mèze, Roquebrun, Minerve, and much more.

There are plenty of activities to do in the area, from watersports to karting, paintball to ice skating. The area has a lot of natural beauty and offers many trails for walking or hiking in the mountains, through the vineyards, or along the coast.
