The classy, tiny village of Crillon-le-Brave is located in the Ventoux region of Provence, an area rich in culture and history. For travellers weary of crowded tourist villages and sites, Crillon-le-Brave is a sublime location. Somewhat removed geographically from the rest of Provence, it retains its unspoiled country feel and ancient charms. Though the village is small, it has an épicerie (small grocery) for basics, plus several good-to-excellent restaurants, all with panoramic views of Mont Ventoux. The centrepiece of the village is the five-star Relais & Châteaux hotel and restaurant Crillon-le-Brave, where you'll certainly want to dine at least once during your stay. Nearby, you'll find other preserved medieval hilltop villages with narrow cobblestone streets and beautifully maintained stone houses with flowers tumbling from window boxes and tiny mom-and-pop bistros.

The village of Crillon-le-Brave is known for its very prestigious and very stunning 5 stars 'Relais & Chateau' hotel, where you might want to have a special meal overlooking Mont Ventoux. You would not be amiss in comparing the impeccable decor of the château with the exquisite Provencal decor of the hotel.
