## Description

This new contemporary Villa of 470m<sup>2</sup> has a large living room, complete with beautiful fireplace, and floor to ceiling windows to allow you to view over the vines and out to sea.

The kitchen is large and is fully equipped with Gaggenau kitchen appliances and large Range cooker. There is a dining table and access to the large terrace.

There are 7 double bedrooms each with its own bathroom, four of the lower level bedrooms go out onto their own private terraces (with tables and chairs).

The Master Bedroom has a large double bed, television, and access directly onto the upper terrace. This room has its own dressing area and bathroom with a feature bath and shower.

Bedroom 2 is situated on the entry level, with its own shower room, television, and fitted wardrobes.

There is a large well groomed garden (4269m<sup>2</sup>) with swimming pool, pool house and boules court.

The swimming pool is 20 metres x 5 metres with a Teak deck.

There is a plenty of secure parking and a Garage.

The house has its own Wine Cellar, Well Being/Fitness Area and Office.

It has air conditioning throughout and offers guests the convenience of a Heli Pad.

This villa has lovely sea views is located near to the beach of Canebiers and 5 minutes drive to the centre of St Tropez.

Outside:

The Villa has a large driveway (with a secure entry gate) with space for many cars and a driveway down to a garage for storing or charging your car.

There is a large upper terrace that is accessible from the Master Bedroom, the lounge, and the Kitchen/Dining with comfortable lounge furniture so that you can relax. There is an outside dining table and chairs, and parasols for shade.

The Pool 20m x 5m is surrounded by a teak deck with sun loungers, there is shaded dining, a lounge area,
