## Description

Charming house located in a 200-year-old park of 20 hectares where calm and tranquility reign. This area is a real haven of peace for a relaxing holiday. It is also a paradise for children.

House located just 5km from the city of Carcassonne

On the ground floor: a large entrance hall, a living room and a dining room, an independent kitchen with utility room, and a toilet with washbasin.

Upstairs: 5 bedrooms, 3 bathrooms, and 2 separate toilets.

In an adjoining part (Annexe): 2 bedrooms, a shower room and 1 separate toilet.

Carcassonne is famous for its theatre, dance and music festival throughout the summer. But the best things are the famous fireworks of July 14: 'the Conflagration of the Cité of Carcassonne'

Also worth participating in is the Feria at the end of August, an annual festival based around bullfighting but offering so much more to do and see if you aren't aficionados of the bullfight.

Near the Medieval City, in a natural environment, is the Lac de la Cavayère and the Raymond Chésa leisure complex which extend over 40 hectares and are home to generous Mediterranean-type vegetation.

Good place for walking and relaxation, you will find equipped areas for a picnic, pedal boats, mini golf, inflatable water games, several beach volleyball courts and a forest adventure park. Swimming and boating are welcome at the Lac.
