Description

Situated off the popular and exclusive Chemin de la Rocaille, overlooking the stunning Mont d'Arbois in the heart of Megève, the wonderful Chalet Nora is perfectly placed to explore the many wonders of Megève and the action-packed activities on offer in the snow capped valleys of the Massif du Mont Blanc. In a private gated domaine just 500 metres from the Mount d'Arbois chairlift, Chalet Norma is the perfect luxury base for socialising and making wonderful holiday memories with family and friends.

Each of the 6 independent guest suites with their private en-suite bathrooms, luxurious and sumptuous bed linens and tasteful styling have been designed with comfort in mind. Assisting in deep sleep to allow your body to fully recover after an active day on the pistes. Each bedroom benefits from either private balcony or terrace access leading out to the luscious manicured grounds. Snow-capped in the winter months, over-looking the world famous ski slopes.

Bursting with natural light, the luxurious guest bathrooms in Chalet Norma have been built with the highest quality materials. From Brazilian mahogany to Nordic stone, the calming nature of the chalet prepares you for the adventures ahead.

Stocked daily with luxurious bio organic toiletries, pamper yourself in absolute luxury whilst preparing for an evening of delicious food and wine with your special loved ones.

Built within a landscaped park of over 2,500 sqm, Chalet Norma's exquisite architecture is evident from the moment you arrive. Perfectly located, close to the chairlifts of Megève, the aspect of the Chalet gives incredible views over the surrounding mountains.

In the evenings, Chalet Norma takes on a new persona. With warming tones, soft lighting, surround sound music and log fires, the atmosphere is set for memorable dinners with the people you value the most.

With its exceptional entertainment complex, including private cocktail bar, dancefloor, wine cave and fully immersive cinema room, Après ski fun has been taken to new heights for both the adults and children of the group. Entertaining the kids has become a pleasurable and effortless experience, allowing the adults to truly relax and unwind.

Chalet Norma uses technology to enhance luxury, privacy and comfort. A large boot room with heaters and a large LED screen will be sure to make the morning preparations for the ski slopes an effortless experience.
