This small village is home to well-heeled vacationers, as well as to French film and tv stars and other high wattage glitterati. (To give you an idea of the prestige of this little village, European royals live and visit here.) However the town has retained its low-key, old style ambiance, which is one reason it is so attractive to visitors. Eygalières is a real jewel in the area. Though tiny, it has cafés, restaurants, food shops, and one of the best outdoor markets in Provence, held Friday morning.
