Description

This very private magnificent single-story Mediterranean villa Carlo, was completely renovated in 2013. The furnished south-facing terraces overlook the Mediterranean garden with a panoramic view of the sea and the mountains. This beautifully furnished villa takes full advantage of its Provençal roots with tile floors throughout, exposed wood beam ceilings, and a large, open, warm and rustic living room.

This spacious living room opens onto the large private terraces, perfect for romantic dining while enjoying the spectacular Mediterranean, garden, and mountain views. A wooden fireplace, piano, and two comfortable leather sofas form a relaxing conversation area near the arched windows overlooking the sea.

Table tennis and table football for fun competitions.

A very nice and secluded tennis court surrounded by trees is located only 50 meters from the Villa. Tennis racquets for adults and kids. Gym area with weight and benches, beach towels and fishing equipment. New Ball-court 25 meters long at the property.
