Description

Located in the countryside, Mas and Bastide de Mouriès is a Provençal property with the appearance of a hacienda, having belonged to an international celebrity of French song (Charles Aznavour). The vast expanse of its 3-hectare plot of land is a true example of well-being. Full of a diversity of green spaces, the land amazes with its grandeur. Benefiting from landscaped gardens near the terraces of the main building and the pool house, this greenery invites one to let go and offers the youngest a magnificent playground where statues and a thousand-year-old olive tree rub shoulders. A stream also runs along part of the 600-foot expansive olive grove.

Added to this is a closed pool house with a heated swimming pool of good size, ideal for lengths, a jacuzzi, a balneotherapy, a gym with very complete equipment and a massage room. The property also has a tennis court to complete the range of leisure and wellness facilities.

Past the front door, the main building offers a mainly contemporary decoration with colorful touches sparingly and atypical objects conferring a pleasant atmosphere. It also hosts three en-suite bedrooms (including one on the ground floor) in flattering volumes. The large living room is warm and invites conviviality, as well as the large dining room, convertible into a meeting room with a home cinema and bar area. Atypical, the floor of the building has a belvedere to contemplate the horizon and escape for a moment. A guest house adjoins the main building offering an intimate living and dining room with a kitchenette, an en-suite bedroom on the ground floor and two other bedrooms upstairs. Finally, two independent annexes each offer an en-suite bedroom. As an option, a studio can be rented to accommodate staff. It is in total about 900 m² of living space.

The Mas and bastide will be perfect for a stay welcoming a large family, a group of friends or seminars wishing to find a haven of peace where life is good.
