Overview

Ideally placed to enjoy the beautiful scenery and tranquillity of the rolling countryside with the Cote d'Azur within easy reach, this modern villa with a heated infinity pool is perfect for a relaxing family holiday on the French Riviera.

Description

Bellet, Nice: Surrounded by inspiring scenery of olive groves and vineyards, this family villa with a heated infinity pool is located within easy reach of all the main attractions on the Cote d'Azur.

Set in a private, peaceful residential area, this Californian-style four-bedroom residence has modern and minimal decor. Here you can enjoy all the benefits of a secluded stay, panoramic views, gardens, activities, and a variety of terraces for lounging and dining, with the heated blue infinity pool overlooking the hills and vineyards as a focal point. This property offers plenty of entertainment space and equipment, including table tennis and boules. Many beautiful beaches along the coast, traditional villages such as Eze, and the cities of Monaco, Nice, and Cannes are all within a 40-minute drive.

Please note that due to the hillside position and terraced grounds, the gardens of the villa are not really suitable for toddlers/young children.
