Description

Ideal for the extended family or for bringing many friends together for that special celebration abroad. The house has 12-14 beds in 5 double rooms and one studio. All rooms provide ensuite bathrooms, central heating and reversible air-condition. This lovely Maison de Maître, built in the mid 1800s has all authentic details such as the original stucco, windows, ceilings, French balconies and floors lovingly taken care of and carefully renovated to its former glory as well as all modern amenities.

Lovely secluded garden with a good size pool with sun deck, deck chairs and lounge furniture. With direct access from the house, you will find a large garden with lots of space and private small corners, a gas barbecue and a charcoal barbecue and a pergola for secluded moments.

The house is located in the midst of a bustling little village, where you find a post office, banks, butcher, bakers, a small épicerie and a Lidl and Spar as well as restaurants, all within walking distance. The oyster van comes Friday afternoon to the little square, and the bar is open every day, where you can hang out with the locals. Saturday and Tuesday there's a market in the village square. In the next village, less than 5 km away, you will find a large supermarket, a bio shop, more restaurants as well as other services.

The location is fantastic, as close to Mediterranean and the river Orb for cool swims as to the mountains, lovely for walks in stunning, rugged nature.

There are more than 6000 vineyards in the area for good wines, some producers are really happy to help you with a wine tasting. Culture and history are old in these parts, you don't want to miss the UNESCO Heritage Sites of Carcassonne le Cité, St Guilhem le Désert, Canal du Midi or Pont du Gard. If you long for cities and shopping, both Béziers and Montpellier are not far away.
