Description

This stylishly furnished villa is located on a large private estate surrounded by a beautiful Mediterranean garden with olive trees and cypresses. Peace, privacy and comfort are guaranteed here and are the ingredients for a wonderful stay. Although located in the hinterland, the liveliness of the beaches of the Cote d'Azur are easily accessible.

Villa Chateauneuf has a spacious living room with direct access to the terrace, a separate dining room and a modern kitchen with all amenities. On the ground floor is the spacious master bedroom with private marble bathroom and bath, Italian shower and double dressing room. A second bedroom and bathroom with shower are further down, as well as a laundry room.

The other bedrooms and bathrooms are on the first floor, one with bath and two with showers.

In the basement you will find a games room with pool table and table football, both of which go to making this a very popular villa with children and teenagers.

Outside, you can dine al fresco under the veranda with a modern barbecue or relax in the comfortable lounge set in the pool house with unobstructed view. The large mosaic'd swimming pool is a real eye-catcher and from the loungers surrounding it you will view the lush garden. Perfect for taking a walk among the olive trees or playing a game of pétanque (boules).

This is also a paradise for golf-lovers with several world-class courses in proximity. The villa is also perfectly situated for walks and cycling tours.
