Description

Situated in Fayence within the Provence Côte d'Azur region, this genuine 18th-century stone cottage has been meticulously restored using high-quality materials. It rests within a 2.000m² ancient garden, home to centuries-old trees, cypresses, olive trees, walnut trees, hazelnut trees, elder trees, fig trees, and medlar trees. The property is perched on two flat terraces beside a gentle stream, offering complete serenity, often likened to 'little Tuscany.'

The cottage can host 2 guests and spans two levels linked by an external staircase. The ground floor features a well-appointed kitchen and a dining area with a shower. The upper floor houses a cozy bedroom with a king-sized bed, toilet, and washbasin. It boasts two exquisite terraces, including one shaded by an imposing fig tree that bears black figs when in season.

The property is 16 km from the A8 motorway exit at Fayence, 40 km (a 20-minute drive) from Cannes, 90 km (an hour's drive) from Monaco, and a mere 5-minute by feet from the village of Fayence and various supermarkets like Super U, Leclerc, Intermarché, Carrefour, Tous frais, and Weldom.
