Location

Villa Serenity is situated in the village of Neffies, which is an excellent location for visitors to explore this beautiful corner of France. Located on the edge of the “Parc Naturel regional du Haute-Languedoc” the surrounding vineyards produce award-winning wine, many of which can be sampled at the village Cave. Also in the village is a bakers, for your daily baguette and morning croissants, and there is a well-stocked provisions store, which has a meat and deli counter. A van visits once a week selling fresh seafood, including local oysters and mussels direct from the producers. The village also provides a post office, children’s play area and tennis courts. The family-friendly bar serves French fare lunchtimes and evenings, with great views from their terrace. Alternatively, one of the best restaurants in the area is tucked behind Neffies’ Gothic church.

Less than fifteen minutes drive away is the ancient market town of Pezenas, with it`s atmospheric old quarter, artist’s studios and boutiques, and wide variety of bars and restaurants. There is also a fabulous market on Saturday, and on Friday evenings during the summer there are wine tasting events with the added bonus of the shops staying open until midnight.

A thirty-five minute drive will take you to the Mediterranean coastal resorts where you’ll find long stretches of sandy beaches with safe, shallow waters for swimming, all kinds of water sports, and a lively buzz in the cafes and bars.
