## Description

Vue de Gigaro is a great holiday home situated on a hillside with wonderful views out over the Mediterranean and Cap Lardier. Located in a quiet secluded and gated domaine of only seven other houses around 1.5km outside the large village of La Croix-Valmer.

It is a single storey house, built around 1970 and recently extended. It now has 4 double bedrooms, all en suite, a large modern kitchen, a dining room, a sitting room, and an expansive decked terrace overlooking the sea. It has a beautiful swimming pool, set aside from the main house, and a garden full of Mediterranean plants and trees.

There are several fine sandy beaches within a 5 minute drive, and the rolling hills and vineyards of the Ramatuelle peninsula behind it.

It has a quiet tranquil atmosphere, but for those who like buzz, the bustling ports of St Tropez and Cavalaire are only 20 minutes drive away. The village of La Croix-Valmer has a full range of shopping and is about 5 minutes away by car (around 30 minutes walking).

Gigaro beach is generally seen as suitable for children, Heraclée beach is perhaps better suited for adults but both are lovely beaches with clubs, restaurants etc.
