Location

The lovely village of Tourbes offers a bar, restaurant and a selection of shops including a bakery, supermarket/tabac, butcher, hairdresser and a pharmacy all within a five minute walk. The bar is at the centre of village life and situated on 'le quai' is an excellent spot to watch the world go by whilst enjoying a glass of wine or a cold beer in the shade of the ancient plane trees. They also serve excellent pizzas. Alternatively, you can enjoy a meal on the terrace at La Table des Vignerons, where the friendly owners serve delicious locally sourced food cooked on a large barbecue.

The historic town of Pezenas, well known for its famous former inhabitant, Molière, is less than five minutes drive away, or accessible on foot/bike via a green way. There you can stroll the ancient cobbled streets of the historic quarter, meander through the pretty shops selling artisanal products and when it's time to eat, there are an abundance of restaurants to choose from. On Saturdays there is a lively and colourful market running the length of one of the main streets and always worth a visit.

The beautiful Languedoc has so much to offer such that choices of what to see and do on holiday are extensive and the only problem is how to fit it all in. From historic Cathar castles and roman amphitheatres to the world famous Canal du Midi, from the untamed beauty of the Camargue with its horses and flamingoes to the elegant sophistication of cities such as Montpellier. There are beautiful vineyards trails to cycle, gently meandering rivers to canoe as well as stunning landscapes to explore on foot or on horseback. And not forgetting, of course, the miles of golden sandy beaches fringing an azur blue sea.

The Languedoc is an outstandingly fascinating area of the south of France offering 300 days of sunshine a year and unbeatable variety. Choose from many excellent Mediterranean beaches from just 20 minutes away, or experience the beauty of rolling hills, meandering rivers, undulating vineyards, sun-baked olive groves and mountain ranges. Visit cosmopolitan cities, historic towns and sleepy villages and enjoy the freshest seafood also not forgetting the vast choice of superb wines, as this is the world's largest vineyard area.
