## Location

The Pinet region is famous for its white wine which goes splendidly well with fish and Mediterranean foods. The village is consequently surrounded by vineyards and there are two Domaines selling their wines within walking distance of the villa. Pinet has a boulangerie, fresh market/coffee shop, a corner store, pizza restaurant, playground, and a weekly fresh market on Tuesdays.

Nearby Pomerols is a short 5 minute drive and has a SuperU supermarket open later than most. Pomerols also offers restaurants including a pizzeria. Pézenas, a true jewel of the area, is only 15 minutes away and has a famous Saturday market. Also accessible by public bus, as are many other towns. Pinet is an excellent spot from which to explore the coastal region between Sète and Béziers. And you don't have to go far inland before you reach the High Languedoc National Park which offer stunning views and great hikes. Béziers (the oldest continually inhabited town in France), Sète (The Venice of the Languedoc) and Montpellier (ancient university town) are all easily accessible.

Marseillan Port, Village and Plage are a short car ride away and offer a variety of restaurants, cafés and bars.

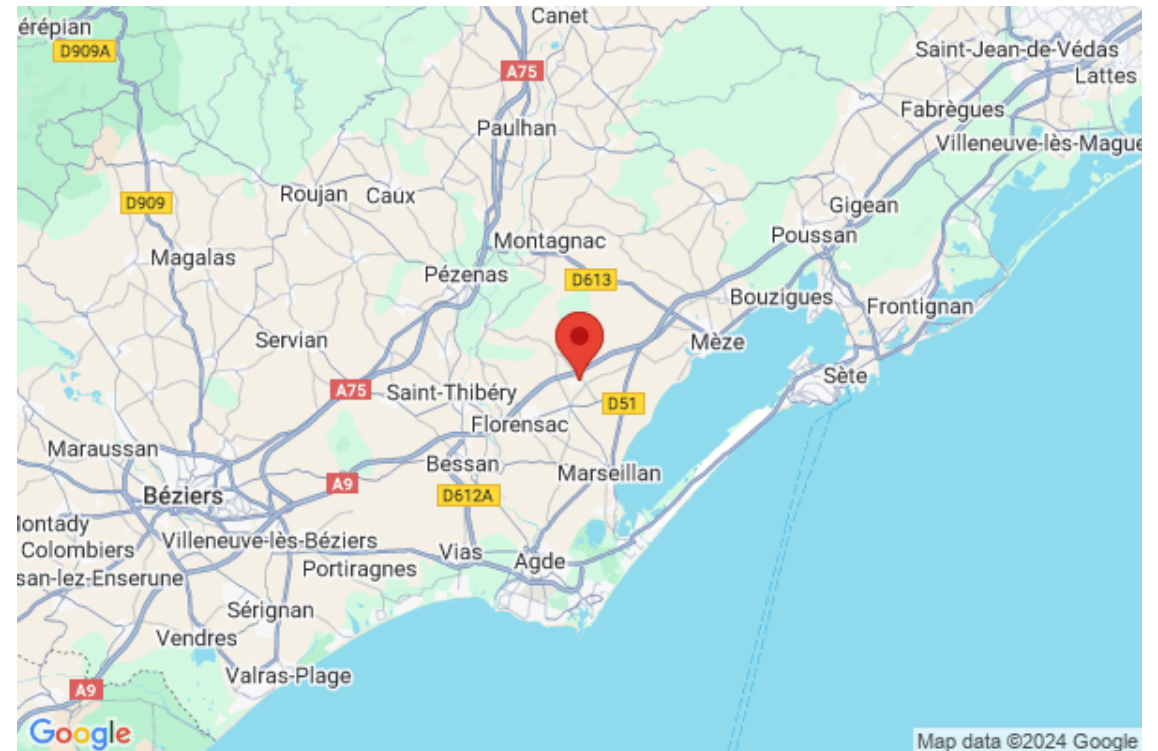

From Marseillan you can take a pleasure boat ride, book sea fishing trips etc.

Nearest airports:

Béziers-Cap d'Agde - 20 minutes

Montpellier - 25 minutes

Also Carcassonne, Perpignan.
