Description

The Orange Tree is a beautifully renovated villa combining modern amenities and a refined decoration. Driving past two electrical gates, travellers can reach the property's covered parking area for up to 3 cars, which is fitted with an electric car charger. The expansive garden surrounds both sides of the house. On the south side, you will find a large swimming pool, fitted with electric security shutters which helps keep the water nice and warm. A wooden deck terrace surrounds the pool; it is equipped with 6 sun beds. On the side of the pool is the barbecue area with a dining table and chairs and plenty of lighting for the evenings. Various entertainment activities are also possible in the gardens: a trampoline, a ping-pong table and even a Pétanque court (boule game).

The main house is spread across 300 m² and 2 levels. The contemporary and airy kitchen is equipped with a professional gas cooker, a gas and an electric oven, and is completed with two refrigerators and a freezer. Next to the kitchen, guests will find a charming, elegant veranda with a dining room to enjoy evening meals under the night sky. A laundry room equipped with washing machine and tumbler dryer is right behind it. The dining area has direct access to the north part of the garden and to the adjacent grand salon. With beautiful seating arrangements and another dining area, this expansive living room benefits from another veranda with tall windows overlooking the garden. A smaller living room/TV room with large comfortable sofas can be found down one step to the side.

This villa is in the neighbourhood of Aiguelongue just north of Montpellier. Aiguelongue is a sought after residential area with close access to the beautiful Parc Meric, the Lez River, and the zoo. Many good shops and restaurants can be found in this neighbourhood, including grocery stores, bakeries and delis, pharmacies, and even a tennis club, gym and spa, the Club 7, less than 5 minutes' drive away.
