Description

Saint Jean Cap Ferrat: Striking contemporary architecture defines Villa C View with its ultra contemporary, modernist living space. Fully staffed with villa manager, housekeepers, chef and butler.

Located on one of the most scenic and glamorous parts of the French Riviera, Villa C View is an exquisitely stylish and modern property, with the latest technology, set amongst a secluded oasis of tranquillity and privacy.

There are seven individually designed guest bedrooms, complete with bathroom and private terrace. In total there is some 600m of living area within a property size of 4755m.

There is a spa with sauna, steam room, shower, indoor exercise pool, massage room and numerous outdoor areas perfect for both relaxation and entertaining.

To further enhance the guest experience there is a gym equipped with the latest Kinesis and Technogym equipment plus a wine cellar with some of the finest wines. There is reverse cycle air conditioning/heating throughout, an exterior lift giving access to the villa entrance, swimming pool terrace and parking area, plus a fully integrated security system.

The outdoor swimming pool features rising/lowering floor which allows to be adjusted according to the needs of guests with young children or just for a casual apro at the pool.

Other features include a lift giving access to 5 of the bedrooms, the twin and fourth double bedrooms have internal stairs access, integrated audio /visual systems in each bedroom, fully equipped Boffi design kitchen, office, an expansive salon with 180
