Description

Villa Courondelle is a magnificent, contemporary, designer residence ideally located in La Croix-Valmer, near Saint-Tropez and the beaches of Ramatuelle and Gigaro. The property has a stunning, panoramic ocean view over the vineyards and Golden Islands. This dream house, with infinity pool and jacuzzi, is set in a very quiet environment and comprises a main villa and 3 connected luxury apartments. The complete property is elegantly furnished and finished with high-end interior design.

The lovely village La Croix-Valmer, located in the heart of the Bay of Saint-Tropez, is known for its untamed landscape between land and sea. It is also famous for beautiful beaches like Plage du Débarquement and Plage de Gigaro. Luxurious villa Colibri is within walking distance to the village center, where you will find authentic cafes, restaurants, grocery stores and all other services you require. As a top destination for memorable holidays, the fabled French Riviera offers a mild and sunny climate year round. This beautiful coastline in the South of France along the Mediterranean Sea is known for its beaches, views, and picture-perfect water conditions, as well as its numerous charming towns and villages.

Villa Courondelle is just a short drive from legendary Saint Tropez, an absolute must for any lifestyle lover. Narrow, romantic streets wind through the city centre, while the harbour area is famous for its luxurious yachts, boutiques, restaurants and cafés. Outside Saint Tropez, pristine sandy beaches such as Plage de Ramatuelle offer a variety of water sports as well as world-famous beach bars and restaurants. Furthermore, Saint Tropez is home to a rich arts and cultural programme, virtually every day and night. A special highlight is the typical Provençal market, bursting with colour, and fragrant with herbs and flowers. Nice, Cannes, and Monaco are all amazing excursion destinations.

The ground floor consists of an entry hall and a bathroom, a huge living room with fireplace, a dining room for large group dinners, a salon and a spacious open and fully equipped kitchen. If needed, the kitchen can be closed off by a sliding door. All rooms open to the beautiful terrace, with its pool and hot tub, all with amazing ocean vistas.

The first floor at Villa Courondelle has a beautiful master bedroom with its own fireplace, shower and bathtub. There are two other double bedrooms with en-suite bathrooms. All rooms have sweeping ocean views and open onto a sun-soaked terrace with sunbeds.

The lower floor has a cinema room with cozy sofa area, and two more double bedrooms, one which opens onto a beautiful patio, with a shared bathroom and a laundry room.

Within the villa, but separate from the main house, are 3 independent and luxurious apartments. Each offers a secluded terrace, a living space and a fully equipped kitchen. Additionally each unit features its
