Description

The Château du Parc is a charming wine estate offering high-end self-catering accommodation in a fully renovated historic house, surrounded by vineyards and Mediterranean countryside. The property combines authentic stone architecture with modern comfort, a large garden, a shared, heatable pool and several outdoor terraces, making it ideal for family holidays, retreats or small private events.

15 luxury ecolodge gîtes are available set in 70 hectares of wildly beautiful Mediterranean forest. With sublime views over the park, large windows, high ceilings, old floor tiles or terracotta tiles, fireplaces or wood-burning stoves in some, each gîte sleeps 2 to 8 people and offers excellent privacy. These charming flats are spacious, open to the surrounding forest, bathed in natural light, and a great place to get away from it all and reconnect with nature.

Combining luxury and refinement, this is a unique experience in the heart of nature, with a focus on preserving the environment.

Suitable for weddings, events and seminars.
